### **Statement on the passing of Mother Betty Price**

The Greater Chicago Food Depository mourns the loss of Betty Price, who ran the Feed, Clothe and Help the Needy soup kitchen and food pantry in Englewood for many years. Known to many as Mother Price, she was a passionate, tireless and strong-willed matriarch in the community. Without judgment, she fed anyone who came to her door. We are deeply grateful to have partnered with Mrs. Price for more than 25 years. We wish her family and friends peace in her memory.
